PSO-2: basic understanding of the theoretical and practice related perspectives of the conduct of International Relations

PSO-3: Study and understand about the security concerns emanating from Indian Ocean region.

PSO-4: study and understand theoretical aspects of Guerilla Warfare..

PSO-5: Study the political and military thought from ancient to the nuclear age.

PSO-6: enhance the knowledge and skills of the students with India's defence policy and organisation.

PSO-7: Study Basic Concepts of War and Peace.

PSO-8: Understand concepts and structures prevalent in the area of national security studies.

Programme Outcomes (POs)

On completion of this course the students will be able to;

PO-1: This course intends to enhance the knowledge and skills of the students with the historical aspects of Indian Art of Warfare.

PO-2: to develop a basic understanding of the theoretical and practice related perspectives of the conduct of International Relations which is very relevant for nation states and would lead towards a holistic appreciation of National Security studies and allied aspects.

PO-3: teach about the security concerns emanating from Indian Ocean region; Traditional and Non-Traditional issues would be covered. The current strategic scenario and modern means to protect India's maritime interest is covered.

PO-4: The growing significance of the economic and political consideration for waging war and the profound influence of this on the art of war attracted the attention of more and more men of intellectual bent. Their writings on the subject of war hold a special position in the realm of strategic thought. All aspects of military affairs had been subjected to analysis in the revival of interest in the theory of war and its implication in contemporary world.
