The Annual Quality Assurance Report (AQAR)

2017-18

The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC accredited institutions will submit an annual self-reviewed progress report to NAAC, through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. (Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)

7.3 Give two Best Practices of the institution (*please see the format in the NAAC Self-study Manuals*)

1. Gender Sensitization Cell
2. Environmental Awareness/Protection Programmes

Best Practice No. 1

The Context:

The Gender Sensitization Cell of CMP College was constituted on 23rd August 2006 in the First IQAC meeting under the directives of NAAC. Initially it was termed as Women Cell.

The Objective

1. To sensitize the students towards friendly co-existence.
2. To make College campus free from eve-teasing.
3. Interactive activities and healthy atmosphere.

The Practice

1. We organize various cultural and academic programmes for equal participation of boys and girls.
2. The team of proctors and anti ragging cell motivates students for mutual respect among themselves.
3. Deviant behavior is always checked and punished (if needed).
4. We regularly organize programmes on Gender Sensitization.

Resources used

1. Financial assistance from the College to organize programmes on Gender Sensitization.
2. Priority and suggestions from all the stakeholders to organize programmes on Gender Sensitization.
3. Print media and social networking sites are used to create awareness among the students.

Future Plans

In the coming session we plan to organize at least one interactive session with parents and guardian (to seek their co-operation in the gender sensitization) and the ultimate need to practice gender equality.

Impact of the practice

We are able to maintain the eve-tease free campus and healthy atmosphere in our College.

Best Practice No.2

Environmental Awareness/Protection Programmes

The Context

We have made efforts towards creating an environmental awareness among our staff and students by organizing various programmes through Green Youth Brigade of the College. The College campus is covered by green area approximately two acres.

The Objectives

1. To create a sense of responsibility among the students for maintaining the green atmosphere in the College.
2. To reduce carbon foot prints by teaching students the importance of carbon neutrality by plantation activities.
3. To make the College campus clean and green.
4. To teach students how we can save trees by saving papers.

The practice

1. A Botanical Garden is maintained in the College in which there is “Nav Grah Vatika” including the trees with mythological importance.
2. The greenery of the campus is being maintained by the tree plantation by the student members of Green Youth Brigade as well as NSS volunteers.
3. Active participation of all the stakeholders to maintain the campus clean and green is worth mentioning.
4. Prizes are given to the students for the best brigade.

Obstacles faced

1. Water logging is the biggest obstacle faced for maintaining the green plants in the campus.
2. Funds are required for implementation of any renewable source of energy and maintain Green house for some rare and endangered plants.

Impact of the practice

1. Green Youth Brigades developed enthusiasm among the students about the new responsibility.
2. Our Green Youth Brigade volunteers take care of the plants and help us in maintaining the campus green and clean.

Resources required

1. Financial help from the College.
2. Participation of all stakeholders.

Analysis Report (2017-18)

Annexure II (a)

Analysis of Student Feedback

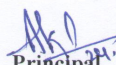

Through the analysis of student feedback forms it is observed that major issues raised by the students are-

1. Shortage of subject related books in library which leads to unavailability of books in time.
2. Shortage of classrooms
3. Lack of proper electricity in some classrooms.
4. Urgent need of washroom for girls.
5. Lack of sufficient drinking water supply.
6. Need of library in departments.
7. More practical equipments are needed in science subject.
8. SMS facilities must be started for PG students to disseminate important notices and information.
9. Students are satisfied regarding teaching learning process, teacher student relation, punctuality, availability and sincerity of teachers and quality of teaching.
10. Many students have urged to start research in college at earliest.

Analysis of Employees Feedback

The employees of CMP degree college, Allahabad are facing some problems.

1. In infrastructure, more classrooms, separate washrooms for faculties and students, individual chambers for faculties with furniture, common rooms for girls, reading room in library etc. are required.
2. There is a big issue of pure and drinkable water in departments.
3. There should be proper supply of power for instruments, lab apparatus and presentations. Power fluctuation disturbs all these and proper running of classes.
4. There should be one clerk and one peon in each of the department of the college.
5. Cleaning of classrooms, staff rooms and washrooms is a very big issue.
6. There should be only qualitative students having proper eligibility for admission in college. Attendance should be made compulsory in classes.
7. There should be proper strengthen of security guards for college.
8. For students, there should be placement facility for motivating them to do hard work.
