Action Taken Report (ATR) on Feedback Analysis (2022-23)

In response to the feedback received from different stakeholders through the feedback survey conducted by the Internal Quality Assurance Cell for the session 2022-23 and proposals given by IQAC, the college administration has taken the following measures:

Students Feedback 2022-23		
Sr.No.	Suggestions Received	Action Taken
1	To introduce job oriented and career centric courses.	All departments were tasked with initiating career-oriented certificate courses and add-on programs. In line with this directive, thirteen new certificate courses have been introduced this year.
2.	ICT enabled lecture theatres are required.	The institution boasts over 20 ICT-enabled lecture theatres. Recently, four more ICT-enabled lecture theatres/seminar/conference halls have been established.
3.	Grievance redressal mechanism should be speedier.	A registered Grievance Redressal Mechanism has been instituted to address shortcomings, and new members have been added to enhance its efficiency.
4.	Timely admissions are also required.	Admissions are governed by the guidelines set forth by the University of Allahabad, and our institution strictly adheres to these rules in the admission process. Currently, undergraduate admissions will be conducted through the CUET exam administered by the National Testing Agency (NTA), New Delhi.
5.	Hostel Facility for boys and girls are required.	While the institution has a separate boys' hostel, it is presently undergoing renovation. Additionally, a new hostel equipped with state-of-the-art facilities has been constructed recently to accommodate girls.
Teachers Feedback 2022-2023		
Sr.No.	Suggestions Received	Action Taken
1.	Residential facility is required.	The institution offers residential facilities for faculty members, and recently, all the quarters have undergone renovation.
2.	Teacher's chambers are required.	Based on feedback, the institution is considering providing chambers to faculty members, although numerous chambers have already been established.
3.	Teacher's Washrooms are required.	There are also sufficient washrooms available for faculty members, and an order has been issued

		recently to update and renovate them using Impress funds.
4.	Generator backup for science labs is required.	A separate power house has been established to ensure uninterrupted power supply.
5	Advancement and upgradation of the library.	Library has been equipped with advanced versions of books, reference materials, a Learning Management System (LMS), and other resource materials. A new Reading Room has been established on the first floor of the central library for student use.
6	College should purchase plagiarism detection software	The college has implemented URKUND software to detect plagiarism. Access to this software has been provided to all faculty members so that they can check dissertations and papers for plagiarism.
7	Problem of Water logging during monsoon season	The college campus roads have been upgraded with RCC for better quality.
8	Shortage of teaching and non-teaching staff in the campus	Recruitment processes are underway to address the shortage of teaching and non-teaching staff, with the recruitment of faculty already completed in the Hindi and Ancient History departments.
