

**3 DAYS HANDS-ON-WORKSHOP ON "TECHNIQUES IN MOLECULAR BIOLOGY & BIOCHEMISTRY" (18-20 SEPTEMBER 2019)**

3 days National Workshop on "Techniques in Molecular Biology and Biochemistry" is being organized by the Botany Department of the College and Cytogene Research Laboratories, Lucknow.

The workshop was inaugurated today in the Botany Department by Dr. SN Srivastava (Former Head of the Department of Botany, CMP Degree College). Dr. Meena Rai, Convener of the Department extended a formal welcome to the invited guest and delegates. Dr. Neha Pandey, Organizing Secretary of the workshop convened the program and gave a brief outline about the three days workshop. Er. Sujeet Singh, Director of Cytogene Research and Development Laboratory, Lucknow gave a brief outline about the techniques to be included in 3 days sessions of the workshop.

On the occasion, a workshop manual was released by the Principal Dr. Brijesh Kumar along with other senior faculty members of the department.

All the faculty members of Botany, Zoology, and Chemistry departments were present during the inaugural session of the programme.

The workshop was inaugurated in the Botany Department by Dr. SN Srivastava (Former Head of the Department of Botany, CMP Degree College)

Cytogene Research and Development Laboratory, Lucknow gave a brief outline about the techniques to be included in 3 days sessions of the workshop
